On 28 May 2025, the 34th meeting of the eighth session of the Board and the 18th meeting of the eighth session of the Supervisory Committee of the Company were held, respectively, at which the Resolution on Repurchase and Cancellation of Partial Restricted Shares Granted to Participants but Not Yet Unlocked and Adjustment to the Repurchase Price was considered and passed, and it was agreed that the Company would make adjustment to the repurchase price of Restricted Shares under the 2021 Restricted Share Incentive Scheme (the “**Incentive Scheme**”), and repurchase and cancel Restricted Shares granted to 13 Participants but not yet unlocked, totaling 654,408 shares. Explanations on relevant matters are set out as below:

I. DETAILS RELATED TO THE REPURCHASE AND CANCELLATION OF RESTRICTED SHARES

(I) Number of Shares Repurchased and Reasons for Repurchase

1. Pursuant to the provisions in “IV. Changes to the individual circumstances of the Participants during the Validity Period” under “Chapter XIII Methods of Handling Unusual Changes to the Company and the Participants” of the 2021 Restricted Share Incentive Scheme of Aluminum Corporation of China Limited (the “**Incentive Scheme**”): where a Participant retires and does not continue to work in the Company or its subsidiaries, or terminates the labor relationship with the Company due to objective reasons such as job adjustment not under the control of the individual, the Participant shall unlock the restrictions according to the agreed conditions based on the performance appraisal period and the specific time limit. The remaining Restricted Shares which have been granted and not unlocked shall not be unlocked, and the Company shall repurchase them at the Grant Price plus interest on fixed bank deposits in the same period. Considering that 6 Participants of First Grant under the Incentive Scheme have retired and will not continue to work in the Company or its subsidiaries, the Company has decided to disqualify them as Participants and retain the Restricted Shares which have satisfied the conditions of performance appraisal period and the specific time limit, and the remaining Restricted Shares which have not satisfied the conditions of performance appraisal period and the specific time limit, totaling 31,793 shares, shall be repurchased by the Company at the adjusted repurchase price plus interest on fixed bank deposits in the same period. Considering that the one Participant of First Grant under the Incentive Scheme has terminated the labor relationship with the Company due to objective reasons such as job adjustment not under the control of the individual, the Company has decided to disqualify them as Participants and retain the Restricted Shares which have satisfied the conditions of performance appraisal period and the specific time limit, and the remaining Restricted Shares which have not satisfied the conditions of performance appraisal period and the specific time limit, totaling 4,255 shares, shall be repurchased by the Company at the adjusted repurchase price plus interest on fixed bank deposits in the same period.

2. Pursuant to the provisions in “IV. Changes to the individual circumstances of the Participants during the Validity Period” under “Chapter XIII Methods of Handling Unusual Changes to the Company and the Participants” of the Incentive Scheme: where the Participant terminates the labor relationship due to the expiration of the labor contract, or terminates the labor contract on his/her own initiative, the Restricted Shares which have been granted and not unlocked under the Scheme of such Participant shall be repurchased by the Company at the lower of Grant Price and stock market price (average trading price of the underlying shares of the Company for the last 1 trading day immediately preceding the announcement of the Board resolution on the consideration of the repurchase, the same below) at the time of the repurchase. Considering that two Participants of First Grant under the Incentive Scheme have resigned on their own initiatives, the Company has decided to disqualify them as Participants and repurchase and cancel all the Restricted Shares granted to these Participants but not yet unlocked, totaling 176,400 shares, which shall be repurchased by the Company at the lower of adjusted repurchase price and stock market price of the Company at the time of the repurchase.
3. Pursuant to the provisions in “IV. Changes to the individual circumstances of the Participants during the Validity Period” under “Chapter XIII Methods of Handling Unusual Changes to the Company and the Participants” of the Incentive Scheme: Where any of the following circumstances is applicable to a Participant, such Participant shall return the income arising from the equity incentive, and the Restricted Shares which have been granted but not unlocked shall be repurchased by the Company, and the repurchase price shall be the lower of the Grant Price or the market price of the Company’s Shares at the time of the repurchase: (1) violation of national laws and regulations, breach of professional ethics, dereliction of duty or malfeasance of duty, etc., which seriously jeopardize the Company’s interests or reputation and cause direct or indirect economic losses to the Company; (2) in violation of the Company’s rules and regulations and being subject to the punishment of removal from office for significant disciplinary violations in accordance with the Company’s rules in relation to the management of rewards and punishments for employees; (3) where the Company has sufficient proof that the Participant, during his/her term of office, has caused direct or indirect losses to the Company due to his/her violation of laws or disciplines such as bribery, solicitation of bribes, corruption, theft and divulgence of operational and technological secrets of the Company; (4) where the Participant is held criminally liable for act of crime; (5) where the Participant causes improper losses to the Company as a result of violating relevant laws and regulations or the Articles of Association; (6) where the Restricted Shares are not permitted to be granted to the Participant pursuant to Article 8 of the Measures

for the Administration of Equity Incentives of Listed Companies (the “**Administrative Measures**”). Considering that four Participants of First Grant under the Incentive Scheme shall return their incomes arising from the equity incentives due to the aforesaid circumstances, the Company has decided to disqualify them as Participants and repurchase and cancel all the Restricted Shares granted to the Participants but not yet unlocked, totaling 441,960 shares, which shall be repurchased by the Company at the lower of adjusted repurchase price and stock market price of the Company at the time of the repurchase.

In summary, the total number of Restricted Shares repurchased and cancelled by the Company this time was 654,408 shares granted to 13 Participants but not yet unlocked.

(II) Explanation of the Adjustment to the Repurchase Price

1. Reasons for the adjustment

The Resolution in relation to the Profit Distribution Proposal for 2024 of the Company was considered and approved at the 32nd meeting of the eighth session of the Board of the Company held on 26 March 2025, pursuant to which the Company intends to distribute a cash dividend for the year 2024 to all shareholders at RMB0.217 per share (tax inclusive), and a cash dividend of RMB0.135 each share (tax inclusive) is proposed for final period of 2024 upon excluding 2024 interim cash dividend at RMB0.082 per share (tax inclusive) already paid. The Company will consider such matter at its 2024 annual general meeting to be held on 26 June 2025.

2. Method for the adjustment

The Company expects that the profit distribution proposal for 2024 will be implemented before the repurchase and cancellation, therefore, the Board of the Company intends to make corresponding adjustments to the repurchase price for the repurchase and cancellation based on the authorization of the first extraordinary general meeting in 2022, the first class meeting of A shares in 2022 and the first class meeting of H shares in 2022 and the implementation of the profit distribution proposal for 2024. Considering that the Company has already adjusted the repurchase price after the implementation of the 2024 interim equity distribution (as detailed in the Announcement on Repurchase and Cancellation of Partial Restricted Shares Granted to Participants But Not yet Unlocked and Adjustment to the Repurchase Priced disclosed by the Company on 20 November 2024 (Announcement No. 2024-068)), therefore, the repurchase price will only be adjusted according to the cash dividend distribution at the end of 2024.

Pursuant to the provisions in “Chapter XV Principles of Repurchasing Restricted Shares” of the Incentive Scheme, after completion of the registration of the Restricted Shares which have been granted to the Participants, if there is any conversion of capital reserve into share capital, bonus issue, share split, rights issue, share consolidation, dividend distribution or any other event that affects the Company’s total share capital or share price, the Company shall make corresponding adjustments to the repurchase price of the Restricted Shares which are not yet unlocked.

The method for the adjustment to the repurchase price at the time of dividend distribution is as follows:

$P = P_0 - V$, where: P_0 represents the repurchase price of each Restricted Share before the adjustment; V represents the dividend per share; P represents the repurchase price of each Restricted Share after the adjustment. P shall remain greater than 1 after the adjustment for dividend distribution.

In accordance with the above provisions, the adjusted repurchase price of First Grant of Restricted Shares under the Incentive Scheme of the Company = $2.85 - 0.135 \approx \text{RMB}2.72/\text{share}$; the adjusted repurchase price of reserved Grant of Restricted Shares = $2.01 - 0.135 \approx \text{RMB}1.88/\text{share}$.

In summary, the repurchase price of First Grant of Restricted Shares under the Incentive Scheme was adjusted from RMB2.85 per share to RMB2.72 per share; and the repurchase price of reserved Grant of Restricted Shares was adjusted from RMB2.01 per share to RMB1.88 per share.

3. *Impact of the adjustment to the repurchase price on the Company*

The adjustment to the repurchase price of First Grant and reserved Grant of Restricted Shares will not have any material impact on the Company’s financial condition and results of operations.

(III) Repurchase from Connected Persons

Two Participants involved in the repurchase and cancellation are connected persons of the Company as defined under the Hong Kong Listing Rules when they were granted the Restricted Shares. Details of these Participants and their repurchase of Restricted Shares are set out below:

Name	Reason for being a connected person	Reasons for repurchase	Number of shares repurchased and cancelled (shares)
Chai Yongcheng	Director of the subsidiary of the Company	Retired	10,500
Guo Qingshan	General manager of the subsidiary of the Company	Retired	5,250
Total			<u>15,750</u>

(IV) Source of Funds for the Repurchase and Cancellation of Restricted Shares

The total amount of funds to be used for the repurchase of Restricted Shares is RMB1,779,990 (excluding interests), which will be financed by the Company's own funds.

II. CHANGES IN THE COMPANY'S SHARE CAPITAL STRUCTURE AFTER THE REPURCHASE AND CANCELLATION OF RESTRICTED SHARES

Upon completion of the repurchase and cancellation of Restricted Shares, the changes in the Company's share capital structure were as follows:

<i>Unit: Share(s)</i>

Total	<u><u>17,155,632,078</u></u>	<u><u>-654,408</u></u>	<u><u>17,154,977,670</u></u>

Note: The unlocking of partial Restricted Shares during the second unlocking period of First Grant under the Incentive Scheme has not been taken into account for the data set out in the above table.

III. IMPACT OF THE REPURCHASE AND CANCELLATION ON THE COMPANY'S RESULTS

The repurchase and cancellation of partial Restricted Shares will not have any material impact on the Company's financial condition and results of operations, nor will it affect the diligence of the Company's management team and core business backbones. The management team and core business backbones of the Company will continue to fulfill their duties diligently and endeavor to create value for the Shareholders.

V. VERIFICATION OPINIONS OF THE SUPERVISORY COMMITTEE

Given that the Resolution in relation to the Profit Distribution Proposal for 2024 of the Company was considered and approved at the 32nd meeting of the eighth session of the Board of the Company held on 26 March 2025, and the Company expects to pay a final dividend for 2024 prior to the repurchase and cancellation, therefore, in accordance with the relevant provisions in relation to dividend distribution and other matters under the Incentive Scheme, the repurchase price of the Restricted Shares under the First Grant shall be adjusted from RMB2.85 per share to RMB2.72 per share; the repurchase price of Restricted Shares under the reserved Grant shall be adjusted from RMB2.01 per share to RMB1.88 per share.

Meanwhile, pursuant to the relevant provisions of the Administrative Measures and the Incentive Scheme, considering that 6 Participants of First Grant under the Incentive Scheme have retired and will not continue to work in the Company or its subsidiaries, the Company has decided to disqualify them as Participants and retain the Restricted Shares which have satisfied the conditions of performance appraisal period and the specific time limit, and the remaining Restricted Shares which have not satisfied the conditions of performance appraisal period and the specific time limit, totaling 31,793 shares, shall be repurchased by the Company at the adjusted repurchase price plus interest on fixed bank deposits in the same period; considering that the one Participant of First Grant under the Incentive Scheme has terminated the labor relationship with the Company due to objective reasons such as job adjustment not under the control of the individual, the Company has decided to disqualify them as Participants and retain the Restricted Shares which have satisfied the conditions of performance appraisal period and the specific time limit, and the remaining Restricted Shares

which have not satisfied the conditions of performance appraisal period and the specific time limit, totaling 4,255 shares, shall be repurchased by the Company at the adjusted repurchase price plus interest on fixed bank deposits in the same period; considering that the two Participants in the First Grant under the Incentive Scheme have resigned on their own initiatives, the Company has decided to disqualify them as Participants and repurchase and cancel all the Restricted Shares granted to the Participants but not yet unlocked, totaling 176,400 shares, which shall be repurchased by the Company at the lower of adjusted repurchase price and stock market price of the Company at the time of the repurchase; considering that four Participants of First Grant under the Incentive Scheme shall return their incomes arising from the equity incentives due to the occurrence of negative circumstances, the Company has decided to disqualify them as Participants and repurchase and cancel all the Restricted Shares granted to the Participant but not yet unlocked, totaling 441,960 shares, which shall be repurchased by the Company at the lower of adjusted repurchase price and stock market price of the Company at the time of the repurchase.

In summary, the Supervisory Committee is of the view that the aforesaid proposed repurchase and cancellation of partial Restricted Shares granted but not yet unlocked and adjustment to the repurchase price are in compliance with the relevant provisions of the Administrative Measures and other laws, regulations and regulatory documents as well as the Company's Incentive Scheme with legal and compliant procedures, without any prejudice to the interests of the Company and Shareholders as a whole, especially for the minority Shareholders.
