Terms used in this announcement shall have the same meanings as those defined in the Supplemental Circular unless the context requires otherwise.

On 27 May and 2 June 2026, the Company convened the 4th meeting of the ninth session of the Remuneration Committee under the Board and the 14th meeting of the ninth session of the Board, respectively, at which the Resolution on Repurchase and Cancellation of Partial Restricted Shares Granted to Participants but Not Yet Unlocked and Adjustment to the Repurchase Price was considered and approved, and it was agreed that the Company would make adjustment to the repurchase price of Restricted Shares under the 2021 Restricted Share Incentive Scheme of the Company (the “**Incentive Scheme**”) and repurchase and cancel Restricted Shares granted to 6 Participants but not yet unlocked, totaling 212,580 shares. Explanations on relevant matters are set out as below:

I. DETAILS RELATED TO THE REPURCHASE AND CANCELLATION OF RESTRICTED SHARES

(I) Number of Shares Repurchased and Reasons for Repurchase

1. Pursuant to the provisions in “IV. Changes to the individual circumstances of the Participants during the Validity Period” under “Chapter XIII Methods of Handling Unusual Changes to the Company and the Participants” of the 2021 Restricted Share Incentive Scheme of Aluminum Corporation of China Limited (the “**Incentive Scheme**”): where a Participant’s employment relationship is terminated upon death, his/her Restricted Shares which have been granted but not yet unlocked shall not be unlocked, and the Company shall repurchase them at the Grant Price plus interest on fixed bank deposits in the same period. Considering the death of one Participant of First Grant under the Incentive Scheme, the Company has decided to disqualify him/her as a Participant and repurchase at the adjusted repurchase price plus interest on fixed bank deposits in the same period and cancel all 28,350 restricted shares granted but not yet unlocked.
2. Pursuant to the provisions in “IV. Changes to the individual circumstances of the Participants during the Validity Period” under “Chapter XIII Methods of Handling Unusual Changes to the Company and the Participants” of the Incentive Scheme: where the Participant terminates the labor relationship due to the expiration of the labor contract, or terminates the labor contract on his/her own initiative, the Restricted Shares which have been granted and not unlocked under the Scheme of such Participant shall be repurchased by the Company at the lower of Grant Price and stock market price (average trading price of the underlying shares of the Company for the last 1 trading day immediately preceding the announcement of the Board resolution on the consideration of the repurchase, the same below) at the time of the repurchase. Considering that two Participants of First Grant under the Incentive Scheme have resigned on their own initiatives, the Company has decided to disqualify them as Participants and repurchase and cancel all the Restricted Shares granted to these Participants but not yet unlocked, totaling 64,110 shares, which shall be repurchased by the Company at the lower of adjusted repurchase price and stock market price of the Company at the time of the repurchase.

3. Pursuant to the provisions in “IV. Changes to the individual circumstances of the Participants during the Validity Period” under “Chapter XIII Methods of Handling Unusual Changes to the Company and the Participants” of the Incentive Scheme: Where any of the following circumstances is applicable to a Participant, such Participant shall return the income arising from the equity incentive, and the Restricted Shares which have been granted but not unlocked shall be repurchased by the Company, and the repurchase price shall be the lower of the Grant Price or the market price of the Company’s Shares at the time of the repurchase: (1) violation of national laws and regulations, breach of professional ethics, dereliction of duty or malfeasance of duty, etc., which seriously jeopardize the Company’s interests or reputation and cause direct or indirect economic losses to the Company; (2) in violation of the Company’s rules and regulations and being subject to the punishment of removal from office for significant disciplinary violations in accordance with the Company’s rules in relation to the management of rewards and punishments for employees; (3) where the Company has sufficient proof that the Participant, during his/her term of office, has caused direct or indirect losses to the Company due to his/her violation of laws or disciplines such as bribery, solicitation of bribes, corruption, theft and divulgence of operational and technological secrets of the Company; (4) where the Participant is held criminally liable for act of crime; (5) where the Participant causes improper losses to the Company as a result of violating relevant laws and regulations or the Articles of Association; (6) where the Restricted Shares are not permitted to be granted to the Participant pursuant to Article 8 of the Measures for the Administration of Equity Incentives of Listed Companies (the “**Administrative Measures**”). Considering that three Participants of First Grant under the Incentive Scheme shall return their incomes arising from the equity incentives due to the aforesaid circumstances, the Company has decided to disqualify them as Participants and repurchase and cancel all the Restricted Shares granted to the Participants but not yet unlocked, totaling 120,120 shares, which shall be repurchased by the Company at the lower of adjusted repurchase price and stock market price of the Company at the time of the repurchase.

In summary, the total number of Restricted Shares repurchased and cancelled by the Company this time was 212,580 shares granted to 6 Participants but not yet unlocked.

(II) Explanation of the Adjustment to the Repurchase Price

1. Reasons for the adjustment

The Resolution in relation to the Profit Distribution Plan for 2025 of the Company was considered and approved at the 11th meeting of the ninth session of the Board of the Company held on 27 March 2026, pursuant to which the Company intends to distribute a cash dividend for the year 2025 to all shareholders at RMB0.270 per share (tax inclusive). After deducting the interim cash dividend of RMB0.123 per share (tax inclusive) already distributed in 2025, the proposed final cash dividend for 2025 is RMB0.147 per share (tax inclusive). The Company will consider this matter at the 2025 annual general meeting to be held on 26 June 2026.

2. Method for the adjustment

The Company expects to implement the 2025 profit distribution plan prior to the completion of this repurchase and cancellation; therefore, the Board proposes to make corresponding adjustments to the repurchase price for the shares to be cancelled in this scheme, based on the authorisations of the first extraordinary general meeting in 2022, the first class meeting of A shares in 2022 and the first class meeting of H shares in 2022, as well as the implementation of the 2025 profit distribution plan. Given that the Company has already adjusted the repurchase price following the implementation of the 2025 interim equity distribution (for details, please refer to the Company's announcement dated 25 November 2025), therefore, the repurchase price for this repurchase will only be adjusted according to the cash dividend distribution at the end of 2025.

Pursuant to the provisions in “Chapter XV Principles of Repurchasing Restricted Shares” of the Incentive Scheme, after completion of the registration of the Restricted Shares which have been granted to the Participants, if there is any conversion of capital reserve into share capital, bonus issue, share split, rights issue, share consolidation, dividend distribution or any other event that affects the Company's total share capital or share price, the Company shall make corresponding adjustments to the repurchase price of the Restricted Shares which are not yet unlocked.

The method for the adjustment to the repurchase price at the time of dividend distribution is as follows:

$P = P_0 - V$, where: P_0 represents the repurchase price of each Restricted Share before the adjustment; V represents the dividend per share; P represents the repurchase price of each Restricted Share after the adjustment. P shall remain greater than 1 after the adjustment for dividend distribution.

In accordance with the above provisions, the adjusted repurchase price of First Grant of Restricted Shares under the Incentive Scheme of the Company = $2.60 - 0.147 \approx \text{RMB}2.45/\text{share}$; the adjusted repurchase price of Reserved Grant of Restricted Shares = $1.76 - 0.147 \approx \text{RMB}1.61/\text{share}$.

In summary, the repurchase price of First Grant of Restricted Shares under the Incentive Scheme was adjusted from RMB2.60 per share to RMB2.45 per share; and the repurchase price of Reserved Grant of Restricted Shares was adjusted from RMB1.76 per share to RMB1.61 per share.

3. Impact of the adjustment to the repurchase price on the Company

The adjustment to the repurchase price of First Grant and Reserved Grant of Restricted Shares will not have any material impact on the Company's financial condition and results of operations.

(III) Source of Funds for the Repurchase and Cancellation of Restricted Shares

The total amount of funds to be used for the repurchase of Restricted Shares is RMB520,821 (excluding interests), which will be financed by the Company's own funds.

II. CHANGES IN THE COMPANY'S SHARE CAPITAL STRUCTURE AFTER THE REPURCHASE AND CANCELLATION OF RESTRICTED SHARES

Upon completion of the repurchase and cancellation of Restricted Shares, the changes in the Company's share capital structure were as follows:

	<i>Unit: Share(s)</i>		
Class of shares	Before change	Change	After change
A Shares	13,211,005,359	-212,580	13,210,792,779
Including: Shares not subject to trading restrictions	13,173,365,171	0	13,173,365,171
Shares subject to trading restrictions	37,640,188	-212,580	37,427,608
H Shares	<u>3,943,965,968</u>	<u>0</u>	<u>3,943,965,968</u>
Total	<u><u>17,154,971,327</u></u>	<u><u>-212,580</u></u>	<u><u>17,154,758,747</u></u>

Note: The unlocking of partial Restricted Shares during the third Unlocking Period of First Grant under the Incentive Scheme has not been taken into account for the data set out in the above table.

III. IMPACT OF THE REPURCHASE AND CANCELLATION ON THE COMPANY'S RESULTS

The repurchase and cancellation of partial Restricted Shares will not have any material impact on the Company's financial condition and results of operations, nor will it affect the diligence of the Company's management team and core business backbones. The management team and core business backbones of the Company will continue to fulfill their duties diligently and endeavor to create value for the Shareholders.

IV. OPINIONS OF THE REMUNERATION COMMITTEE OF THE BOARD

Given that the resolution in relation to the Company's 2025 Profit Distribution Plan was considered and approved at the 11th meeting of the ninth session of the Board of the Company held on 27 March 2026, and the Company expects to pay the final dividend for 2025 prior to this repurchase and cancellation, therefore, in accordance with the relevant provisions in relation to dividend distribution and other matters under the Incentive Scheme, the repurchase price of the Restricted Shares under the First Grant shall be adjusted from RMB2.60 per share to RMB2.45 per share; the repurchase price of Restricted Shares under the Reserved Grant shall be adjusted from RMB1.76 per share to RMB1.61 per share.

Meanwhile, pursuant to the relevant provisions of the Administrative Measures and the Incentive Scheme, considering that the death of 1 Participant of First Grant under the Incentive Scheme, the Company has decided to disqualify him/her as a Participant and repurchase at the adjusted repurchase price plus interest on fixed bank deposits in the same period and cancel all 28,350 restricted shares granted but not yet unlocked; considering that two Participants of First Grant under the Incentive Scheme have resigned on their own initiatives, the Company has decided to disqualify them as Participants and repurchase and cancel all the Restricted Shares granted to the Participants but not yet unlocked, totaling 64,110 shares, which shall be repurchased by the Company at the lower of adjusted repurchase price and stock market price of the Company at the time of the repurchase; considering that 3 Participants of First Grant under the Incentive Scheme shall return their incomes arising from the equity incentives in the event of their withdrawal due to other circumstances, the Company has decided to disqualify them as Participants and repurchase and cancel all the Restricted Shares granted to the Participant but not yet unlocked, totaling 120,120 shares, which shall be repurchased by the Company at the lower of adjusted repurchase price and stock market price of the Company at the time of the repurchase.

In summary, the Remuneration Committee is of the view that the aforesaid proposed repurchase and cancellation of partial Restricted Shares granted to Participants but not yet unlocked and adjustment to the repurchase price are in compliance with the relevant provisions of the Administrative Measures and other laws, regulations and regulatory documents as well as the Incentive Scheme with legal and compliant procedures, without any prejudice to the interests of the Company and Shareholders as a whole, especially for the minority Shareholders. Accordingly, the Remuneration Committee agrees with the Company's repurchase and cancellation of partial Restricted Shares and adjustment to the repurchase price, which shall be submitted to the Board of the Company for consideration.

V. CONCLUSION OF THE LEGAL OPINION

According to the legal opinion issued by Jincheng Tongda & Neal Law Firm, the Company has obtained the necessary approvals and authorizations for the repurchase and cancellation and adjustment to the repurchase price. The repurchase and cancellation and adjustment to the repurchase price are in compliance with the Company Law, the Securities Law, the Administrative Measures, the Work Guidelines for the Implementation of Equity Incentives by Listed Companies Controlled by Centrally Administered Enterprises and other applicable laws and regulations, regulatory documents and the Incentive Scheme. The Company shall subsequently complete the procedures for the registration of share repurchase and cancellation and the reduction of registered capital in accordance with the relevant provisions of the Company Law and other relevant regulations, and fulfil its disclosure obligations in a timely manner.
